## To whom it may concern

We are indeed immensely happy to write a few lines on the stunning Audio-drama of **BAK**, a Cultural Organisation from Kolkata, India. **BAK** staged a show at the Singapore Ramakrishna Mission on 21 January 2017.

Sri Amit Roy and Smt Ratna Mitra earnestly began their inspiring introduction about Swami Vivekananda. The entire show was nothing but tracing the life of Swamiji from his 'Biley' days to 'Naren' days and the final transformation in to Swamiji. It was a treat to be with the artistes who took the audience through these three stages of Swamiji's life incidents straight back in time as it were in to the 19th century. The narration was marked by apt voice modulation with an absorbing slideshow. The singer **Sri Bishwarup Rudra** mesmerised the listeners with his mellifluous voice. The unique musical experience was enhanced as he sang those very songs sung by Swamiji in the presence of Sri Ramakrishna. The audio and visual assistants **Sri Pranab Dutta** and **Smt Anindita Sarkar** gave suitable technical support for the programme.

It is true that Sri Amit Roy's bold and robust voice along with the sweet narration of Smt Ratna Mitra and also the musical renderings of Sri Bishwarup Rudra are still lingering in many of our ears, their slide show is still moving in front of our mental eyes. The feedback from our devotees show that a repeat performance is indeed would be eminently desirable.

May the blessings of Sri Thakur, Ma and Swamiji be with them forever is our earnest prayers.

**Swami Vimokshananda**

President
